Technology Used

Programming Language

- **JavaScript (Node.js)**

Framework

- **Express.js**

Key Features

- Combine multiple PDFs to Single PDF

Chat App

2024 – 2024

Technology Used

Programming Language

- **JavaScript (Node.js)**

Framework

- **React.js**
- **Express.js**

Database

- **MongoDB**

Key Features

- Registration and login
- Password Encryption
- Chatting
- Group Creation
- File Sending

Book Store Nepal

2025 – 2025

Technology Used

Programming Language

- **JavaScript**
- **C#**

FrameWork and Library

- **React**
- **.NET**

Database

- **PostgreSQL**

Key Features

- View Books
- Purchase Books
- Generate Invoice

Efficient Pathsala

Technology Used

Programming Language

- **JavaScript(Node.js)**

Framework

- **React.js/Vite**
- **Express.js**

Database

- **MongoDB**

Key Features

- User can Register/Oauth

- User can become tacher
- User can purchase course
- Teacher can upload course
- User can hire teacher

SKILLS

Technical Skills

- Programming Language
- JavaScript (Node.js), C#, Python
- Framework
- React.js, Express.js, Next.js, .NET
- Database
- MongoDB, MySQL, PostgreSQL
- Operating System
- Windows OS, Linux OS
- Application/Software
- VS Code, Visual Studio, Docker, Postman
- ORM
- Sequalize

Soft Skills

- Presentation (MS PowerPoint)
- Documentation (MS word)
- Draw.io
- Communication
